

Electronic Credentials Verification

A service of
ECFMG®

A state-of-the-art service that benefits you and your graduates

ECFMG's electronic Credentials Verification program enables you to verify the credentials of your school's graduates electronically through the ECFMG Medical School Web Portal (EMSWP). Electronic Credentials Verification makes the process of verifying credentials faster, easier, and more efficient.

Advantages of electronic Credentials Verification

Fast	Uses the Internet instead of mail, eliminating transit time and postal delays.
Accessible	User-friendly; there's nothing to download, nothing to install.
Easy	Enables you to complete verifications on-line, in a matter of minutes.
Secure	Security features ensure that only authorized medical school officials can verify credentials.
Efficient	Built-in features help eliminate duplicate requests sent to your school and reduce processing times.
Free	No cost to you.

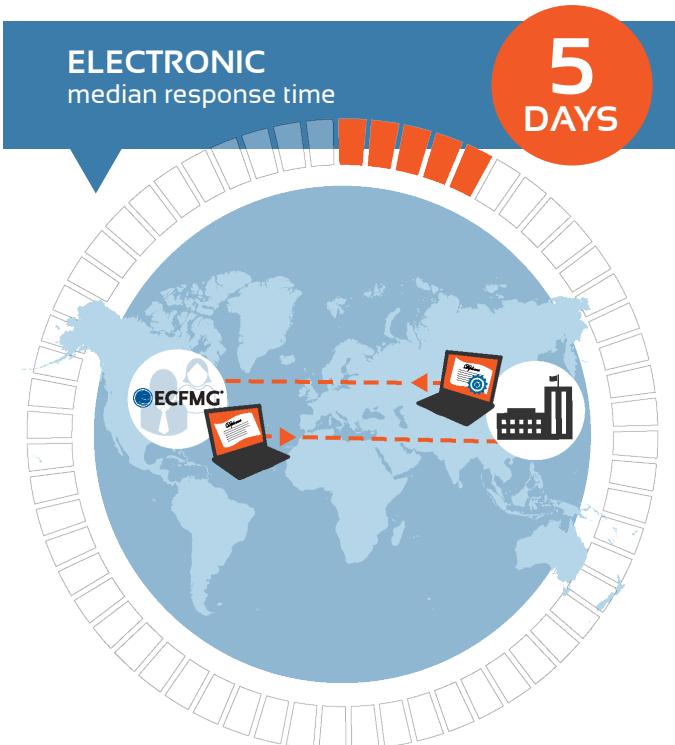

Proven time savings

PAPER
median response time

55
DAYS

ELECTRONIC
median response time

5
DAYS

This comparison shows the median response times by medical schools to ECFMG verification requests, paper versus electronic. Electronic Credentials Verification is a real time-saver for you and your graduates!

It's easy to join!

Even if your school is already participating in EMSWP for one of our other programs, a separate registration is required to establish your electronic Credentials Verification account. To get started, just send an e-mail to: emswpadmin@ecfmg.org. Please be sure to type "Credentials Verification" in the subject line. In the body of your e-mail, include your name, job title, contact information, and the name of your medical school. Our EMSWP Administrator is waiting to assist you!
